Wee Wu-Tang—The monthly e-newsletter

September 1, 2010

From Sifu Ray

September is upon us. This month has the Autumnal Equinox, after which the days gradually become shorter than the nights. Also, look for the “Second Summer,” the short return of heat before we plunge into darkness!

September 11, 2:15-3:00pm. Lion Dancing team practice.

I'd like to take this opportunity to thank outgoing board president, Rondi Atkin, for all the hard work, dedication, and leadership she graciously provided to our Studio. Rondi lead us through a difficult economy and spear-headed a pair of very successful Frolics fundraisers. Thank you, Rondi!

This Fall we will have a one-day art sale for Master Gin-Foon Mark. More details to come.

The light rail is coming. We are keeping informed and will let you know when any parking concerns and logistics problems arise.

“The most beautiful thing we can experience is the mysterious. It is the source of all true art and science.”
-Albert Einstein

Do you want to write? Have you pondered something after class and long to share it? Do you have some inspiration that must be put down for all time? Please consider writing for the Wu-Tang or Wee Wu-Tang. You can submit things via e-mail or hand them in at the Studio.

We are pleased to announce a new addition to the Studio family:

A baby girl, Liang Sorman, 20 inches long, weighing in at 7 lbs. 6 oz. born at 1:29 pm August 15, 2010.

Ying, the baby and I are doing fine.

-Ying, Chris & Liang

Walker Open Field

This summer the Walker Art Center is offering an opportunity for organizations and groups to sponsor a time slot and offer an activity or demonstration on their field. We will participate on **Saturday, September 4 from 3:00-5:00pm**. If you can join us, please talk to Rondi or Dominick. Please come, bring your friends, and a picnic if you wish.

Master Mark Art Show and Demo

The Maple Grove Art Center will feature Master Mark as artist of the month and have an open house on Thursday, September 9 from 6:00-9:00pm. It will involve a Lion Dance and some watercolor and calligraphy demos by Master Mark himself. Should be a lot of fun.
